Step 2 of 3 Set up Recruiter System Connect in ClearCompany.*

- a Admins can request to activate integrations all at once — across all packages — inside the onboarding widget.**
- b (Optional) Connection not moving fast enough? Nudge partners with a notification.
- c Hit **“Save Changes”** to confirm integration activation. Your integrations will be turned on at this point.

*Check with your ATS to ensure all features are enabled for you.

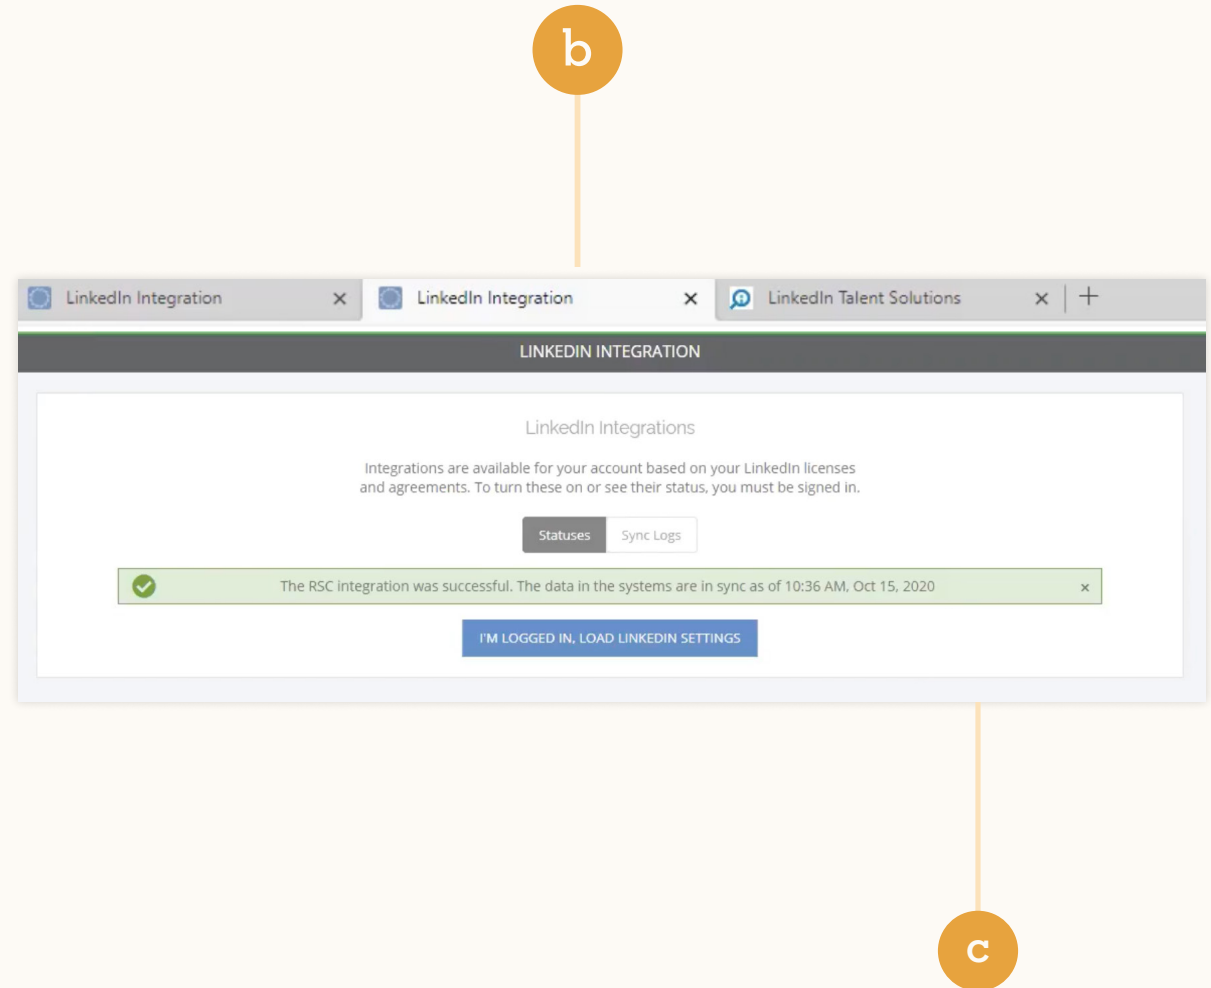

**If an integration package or feature is grayed out, it's either because your ATS is not offering it at this time or you don't have the permission to adjust this package. Check with your ATS to ensure all features are enabled for you or to request an integration.

LinkedIn ATS Integrations → Sourcing → Recruiter System Connect

Step 3 of 3 Finish the integration process.

- a Wait for all ATS and LinkedIn data to sync. This could take a few minutes to a few hours.
- b Navigate to your LinkedIn Integrations page for integration status updates.
- c When a green banner appears on this page, the initial sync is complete and you can go to the Sync Logs tab to view any incremental sync updates.
